KLIK

KLIK

Stream Content from Windows, Mac, iOS and Android Devices to anyProjector or LCD Screen in Full-HD Without Wires

WIRELESS PRESENTATIONS ARE JUST ONE KLIK AWAY

Set your presentations free with KLIK – Your Wireless Presentation Connector! No more cables, adapters and time wasted fumbling with display settings. Just start the KLIK app and broadcast your screen to the big screen. KLIK works with computers, smartphones and tablets, even if they don't have a video connector.

Get the free app for Windows, Mac, iOS or Android now at www.klikboks.com/knkt
